MSCA Money back to class for state shoot

Mike talked about Money back to class from the association. He did the math for giving \$150 per class for seven classes, or \$225 per class for seven classes. Based on the balance of the bank account now, the account will run dry in about 4 years if we were going with the \$225 per class. Realistically, the association will have about \$1,880 net income every year, so by the end of year 4, the account will have about \$7,520 left. Participants discussed about if the money back to class should be only for resident shooters or both resident shooters and non-resident shooters. Ross made a motion to give \$225 money back to class to resident shooters and another \$225 money back to class to non-resident shooters for the 2023 State shoot, then we will evaluate it after the shoot then decide what we want to do for the future. The board seconded it and voted in favor.

New Business

There will be an election coming up later this year, the board will send out an email on March 1st about the election and the nominations must be submitted by April 1st, ballot should be sent back by April 15th, votes should be submitted by May 1st, results will be posted by May 15th.

The board will get in touch with the state shoot hosting club about meeting all the requirements for hosting state shoot according to the By-law.

Next MSCA Meeting

The next meeting will be on February 28th.

Adjournment

Meeting was adjourned at 7:00 PM.
