2021 Montana State shoot promotion ideas

The board discussed about how to help Blue Creek to increase participation for the state shoot. Tyler asked if there will be shells available for sale for the state shoot. Sherri said she would put this information on the poster and scorechaser. Mike also asked Sherri to add money back to class on the poster. Greg asked Pei to send out emails to shooters in surrounding states to attract more participation. Mike mentioned to add the CZ shotgun drawing on the poster as well. Greg asked the board if we want to a drawing to subsidize a few main event entry fees, it is only for in-state shooters who pre registered for the shoot. Greg made a motion to do a drawing for five \$100 vouchers for in-state shooters who registered for the state shoot by the 26th of July, Mike seconded it. The board explored a few other ideas about attracting shooters, then Tyler mentioned to do a drawing for a case of shells for shooters who participate in the prelim event. Ross brought up that we should do a 1-case giveaway for every 10 shooters who pre-registered for the state shoot by the 26th of July, up to 10 cases, this was for all shooters. Tyler made the motion to approve this, Greg seconded it.
